

## Quotes from Marten Julian's Cheltenham Bulletin Book 2010

### **Chief Dan George (William Hill Trophy Handicap Chase)**

'commands respect ... has been a Grade 1 winner over hurdles ... return to form came as no surprise to connections ... has never fallen over fences and likes good ground ...' **WON 33'1**

### **Quevega (David Nicholson Mares' Hurdle)**

'runs well fresh, quickened up impressively to beat United by 14 lengths in this race last year ... has delighted Willie Mullins ... devastating turn of foot ...' **WON 6'4 (\*\*\*) Bet)**

### **Peddlers Cross (Neptune Novices' Hurdle)**

'I have felt for some while now that Donald McCain has a special talent on his hands with Peddlers Cross ... smooth-travelling horse ... 12'1 is good value ... figure he achieved when winning at Haydock entitles him to his position near the head of the market ... nailed my colours to the mast ... Reve De Sivola would be a threat ...' **WON 7'1 (Reve De Sivola 2<sup>nd</sup> 15'2)**

### **Baby Run (Christie's Foxhunter Chase)**

'a serious threat ... finished in the first three in all but one of his 17 lifetime starts ... as good as ever on his return ... at 6'1 represents sound each-way value ...' **WON 9'2**

### **Burton Port (RSA Chase)**

'A line through Knockara Beau gives him a similar chance to Diamond Harry and Weird Al yet, at 25'1, he stands at much longer odds ... only once finished out of the first three in 10 starts under rules ... quite simply overpriced at 25'1 ...' **2<sup>nd</sup> 9'1**

### **Forpadydeplasterer (Queen Mother Champion Chase)**

'one of the most consistent horses in training ... first two in all but one of his 13 lifetime starts ... admirably tough and consistent chaser ... each-way interest at 14'1 ...' **2<sup>nd</sup> 10'1**
