

The Dark Horses Jumps Guide 2011'12

£12.99

- * Dark horses to follow, specially nominated by jockeys and trainers
- * Marten's Premier List - 25 horses which Marten believes will pay their way and reward followers by making a profit to level stakes
- * Marten's Handicap Specialists - 25 horses which Marten believes are starting the season from favourable marks and look poised to win handicaps by their trainers
- * Marten's Dark Imports - Marten and his network of contacts give you the inside news on new recruits from France and the Irish point-to-point field
- * Marten's Cheltenham Portfolio – Marten's in-depth analysis of the Gold Cup and Champion Hurdle, with recommendations for the basis of a Festival ante-post portfolio
- * Ian Carnaby's Reflections – Ian looks back on last season, with reference to the Cheltenham Festival
- * Ian Carnaby's 'Twelve To Follow' - Ian nominates the pick of his horses to follow this season
- * Paul Day's Betting Guide – Paul provides expert insight into where the value lies in betting, with special reference to the truth about each-way staking and the exchanges
