Cheltenham Bulletin Book

THE ESSENTIAL GUIDE TO THE GREATEST SHOW ON EARTH!

'Over quarter of a million people are expected through Cheltenham's gates to witness jump racing's finest horses, trainers and jockeys battle for a share of the £4.5 million in prize money. It doesn't get any better than this!' Marten Julian

Throughout the last four decades the **Cheltenham Bulletin Book** has been recognised by both professionals and enthusiasts alike as the authoritative guide to the greatest jump meeting in the world. The **Bulletin Book** includes:

Incisive and Informed Comment - an in-depth analysis of every race at the meeting by Marten and his team (please note that Marten approves the selections for every race). ***A Statistical Guide*** - a look back at the trainers who have done well in past runnings of each race. ***The Irish Angle*** - our Irish contact provides a few original insights into the overseas raiders

Up-To-Date News - Published just the week before the meeting and so ensures we include the latest news available to us at that time. The **Bulletin Book** includes our **Glance Card** which is a brief summary of each day produced in a pocket-sized guide.

Daily Text Messages - To receive confirmation of Marten's selections for the day and any late news you can order our daily text messages for an additional £5 (if ordered at the same time as the book).

Cheltenham would not be complete without the Bulletin Book, packed with about 30,000 words of analysis, insight and information.
